EDUCATION

Dr. M.G.R. Educational Research Insititute.	CHENNAI, TN. India
Bachelor of Technology in Computer Science and Engineering	*Sep. 2020 – March 2024*
Sasi Junior College.	Nidadavolu. AP. India
10+2	*June. 2018 – March 2020*
Sasi English Medium High School.	Nidadavolu. AP. India
10th	*June. 2017 – April 2018*

PROJECTS

OurMedical Live Site | *HTML5, CSS3, JAVASCRIPT, BOOTSTRAP*   March 2023
- All-in-one Medical Platform: Manages inventory, appointments, meds, news and lab tests (HTML/CSS/JS).
- Mobile-Friendly Design: Easy access on any device (mobile, tablet, desktop).
- Enhanced Doctor Appointments: See contact info, hospital affiliation, and booking website

Weather Prediction Live Site| *HTML5, CSS3, JAVASCRIPT, BOOTSTRAP*   August-2023
- Responsive Weather Website: See weather conditions anywhere in the world, optimized for all devices.
- Interactive Features: Hover over a location for details like temperature, rain chance, and wind speed.
- Global Coverage: Get weather info for any location with a simple click.

PRE and Blockchain Secure Cloud Sharing| *HTML5, CSS3, JS, Java(JSP),Mysql*   January-2024
- Secure Cloud Storage: Protects data during transfer with Proxy Re-Encryption (PRE).
- Advanced Sharing: Combines PRE with other methods for better access control and efficiency.
- Efficient Delivery: Uses Information-Centric Networking (ICN) for faster data access.

TECHNICAL SKILLS

Languages: Python, C/C++, JavaScript, HTML/CSS
Frameworks: React.js, Django, Bootstrap
Databases: MySQL
Developer Tools: Google Cloud Platform, VS Code, Visual Studio, PyCharm

CERTIFICATIONS

Microsoft Azure Fundamentals	
Dr. M.G.R. Educational Research Insititute	*Sep. 2022 – Dec. 2022*
Agile Methodology Virtual Experience Program.	
Cognizant in Forage	*Feb. 2023 – Mar. 2023*
AI- Machine Learning Engineer	
NSIC at Technical Services Center(Skill Development	*Oct. 2023 – Nov. 2023*

HONORS AND AWARDS

Best Project Award 2024: Demonstrates recognition for my technical project, 'PRE and Blockchain Secure Cloud Sharing'
Exceptional Coordination Skills Award (Techastra'23 Event): I would like to highlight my skills in leadership and teamwork, as I believe these are my strongest attributes."

EXTRACURRICULAR

- I organized the TechAstra'23 event as a lead with nearly 60+ participants.

- As an Instagram content creator with over 10k followers, I provide helpful updates about software for the community.

- Utilized Microsoft Word for document creation and collaboration during various projects and activities.

- Honed leadership, problem-solving, and technical skills through independent projects and leading team in personal projects
